# About Us

Located in the Big Cypress Seminole Indian reservation, the Junior Cypress Entertainment Complex is a state of the art facility with a newly renovated rodeo arena which sits about 3,000 people and modern stables with room for 86 horses.

Surrounding and complimenting this modern complex, is 360 acres of land that is available for large outside music concerts, festivals, rodeos, tractor pulls, and any other events requiring an open area.

The Junior Cypress Entertainment Complex is surrounded by thousands of acres of pristine land, that comprises the Big Cypress Seminole Indian reservation. We are only 18 miles north of I-75 between Naples and Fort Lauderdale and offer the opportunity to experience the wonder of the Everglades with its rich wildlife.

The Big Cypress Reservation also offers a variety of other entertainment and cultural experiences such as the wonderful Ah-Tah-Thi-Ki museum, an educational facility with rich exhibits that demonstrate various aspects of Seminole life—past and present. The Ah-Tah-Thi-Ki Museum is home to a large collection of Seminole artifacts, clothing, art and traditional arts and crafts, and features a mile-long boardwalk through a natural cypress dome that leads to a Living Native Village. Further down the road from the Museum, we introduce you to Billie Swamp Safari, a wildlife park with a wide array of wildlife and reptiles. There are both Swamp Buggy and Airboat rides that will take you out upon 2,200 acres of undeveloped land. In addition, visitors can enjoy the Swamp Water Cafe, a restaurant offering both traditional and cultural fare.
